

COMMUNICATE.
COLLABORATE.
ENGAGE.

Bonzai intranet accelerates employee productivity, and draws more value out of your investment in SharePoint® and Office 365™ by providing the core workspace functionality needed by all organizations, without the complexity, cost and risk associated with a custom-built solution.

“ **Internal communications is hugely important and Bonzai has allowed us to take it to a new level.** ”

- Dario, Communications Manager, Ferus

PACKED WITH FEATURES

NEWS

Keep your team in-the-know with timely stories, organizational news and departmental updates that interest and engage everyone.

EVENTS

Integration with SharePoint and Office 365 makes it easy to plan, manage and register for events.

DIRECTORIES

Accelerate the pace of business by connecting people across projects, departments and regions through Employee, Location and Site Directories.

DOCUMENTS

Provide intuitive access to important and frequently-used documents such as forms, policies, procedures and more, with full version history, previews and search.

MARKETPLACE

Buy, sell and give away items within the trusted employee community, and support causes near and dear to your heart.

SOCIAL

Build a vibrant, online community where employees actively and passionately engage with one another.

MOBILE

Give your team anywhere, anytime intranet access on any web-enabled device, and watch the pace of productivity accelerate before your eyes.

SEARCH

Find everything quickly and easily with intuitive and configurable search that makes sense.

BRANDING

Connect your intranet to your corporate brand by applying customized colours and fonts, and add your logo along with background, header and footer images to match your industry and style.

THE INTRANET FOR EVERYONE

We took everything employees need to be more productive and put it into a stunning, intuitive design that invites employee communication and collaboration. Bonzai Intranet is not only feature rich, easy to use, and fast to turn on, it also comes with the flexibility to configure and customize to match your unique needs.

SOME OF OUR AWESOME CLIENTS

ABOUT

Bonzai was created by Dynamic Owl, a Microsoft SharePoint consultancy, Certified Gold Partner and one of the few companies in the world with multiple SharePoint MVPs on staff. By leveraging the power of the Microsoft SharePoint and Office 365 cloud platforms, Bonzai makes built-from-scratch and intranet templates a thing of the past.
